Someone once said, "Shoot for the moon, even if you miss it you'll land among the stars." Well, get out your Holly Hill flag and plant it firmly on the moon! This place is so fantastic!

Sleeping on a bed made of clouds, smelling the fragrant perfume of roses, tasting the delicious snacks and breakfast, even hearing the fog horn in the morning – we had a wonderful experience here. It was a perfect way to rejuvenate our relationship.

If you're reading this, rest assured you're staying in one of the finest B&B's you can possibly be in, and we mean that literally, too. The bed in Lizette's room was a dream's dream. Great food, hospitality that was never pushy, and a lovely vibe that reminded me of my childhood home.

The Holly Hill House is an elegant and intimate five bedroom Victorian Inn located in the heart of Port Townsend's Historical Uptown District. Built in 1872 by Colonel Robert C. and Elizabeth Hill, the Holly Hill House is beautifully maintained and famous for its stippled woodwork and Victorian plantings. The delightful gardens bring a special joy with 88 rose bushes surrounding the grounds along the white picket fence. The 100-year-old upside down Camperdown Elm - on the historical tree register - is guarded by 20 ancient Holly trees. Every turn brings another floral pleasure.

The Holly Hill House provides comfortable accommodations that pamper our guests with a peaceful and relaxed atmosphere. Our sumptuous three course breakfast is enjoyed in a gracious formal dining room on a candlelit table set with exquisite linens, china and silver. Afternoon tea and fresh home-baked pastries are served in the elegant parlor in front of the original Italian fireplace. The cozy furniture coaxes you to relax and enjoy the aviation artwork and memorabilia.

Your hosts, Greg and Nina Dortch, invite you to enjoy the warmth and hospitality that Holly Hill House offers with gracious style. Please join us for this wonderful bed and breakfast tradition.
